BREA CITY COUNCIL

## Senior Center Veterans Club

The Senior Center was honored to host a birthday celebration this month for three long-time Veterans Club members, including the 104th birthday of Cliff Chaffey. Born in 1915, Cliff has been a member of the Brea Senior Center Veterans Club for 6 years, and served as a Navy Chief during WWII, and the Korean War as an aviation mechanic. Not only does his service in the military make him a hero, but at the young age of 70, Cliff also saved the lives of 2 children from a burning building. The Club celebrated with their favorite foods prepared by Chef Francesco including BBQ ribs, baked beans, corn-on-the-cob, potato salad, and watermelon. Handmade quilts donated by an anonymous Senior Center volunteer were gifted to the three Veterans celebrating a birthday, in recognition of their selfless service.

## Brea's 17th Annual Inner Coastal & Watershed Cleanup Day

Among the volunteers, the City had numerous groups participate such as: American Society of Engineers Cal State Fullerton, Hermosa Drive Fullerton Elementary School, Westfall Technik, Niagara Bottling employees, Boy Scout Troop 1201 and Girl Scout Troop 9004/9084 to name a few. Thanks for the continued support and making this a successful event.
